Taylor Commercial Expands: New Division Offering Construction Services for Small to Medium-Sized Multi-Family Projects from New Headquarters Location

Southeast's prominent multi-family housing construction company achieves growth milestones: establishes new division targeting its unparalleled contracting services to small to medium sized multi-family housing projects; Relocates to a larger corporate office facility

ROSWELL, GA, September 19, 2011 – Amid exponential sales growth this past fiscal year, Taylor Commercial, Inc. (www.TaylorCommercial.com), the leading provider of apartment and multi-family housing renovation and exterior construction solutions in the southeast, today announced multiple areas of corporate expansion, including the advent of its new Construction Services Division offering top-tier general contracting services for small to medium sized multi-family housing projects in addition to its flagship large-scale project initiatives. The company concurrently announced that, to better accommodate its current and forecasted growth, its corporate offices have moved to a larger location at 3955 Marconi Drive, Alpharetta, GA 30005.

"With this new division, we now cover the general contracting needs of the multi-family industry in its entirety throughout the southeast region," said Perry Greene, Taylor Commercial's President. "Whether we are performing sidewalk repairs to assist an owner or management company with safety or compliance issues, or delivering a complex renovation of an entire property, we have experienced, highly qualified staff at all levels to best assure each project is completed professionally, on time and according to budget – no matter its size or scope."

With Taylor Commercial's recent corporate expansion, multi-family property management companies, homeowner/condo association boards and owners can benefit from the company's unrivalled construction services which include, but are not limited to, general contracting, water intrusion, mold abatement, ADA compliance, rotten wood replacement, painting, plumbing, HVAC & electrical repairs/upgrades, AC cages, clubhouse and pool house repairs/renovations, code compliance, DCA audit repairs, parking lot and sidewalk repairs, storm drain repairs, gutters & downspouts, REAC inspection preparation and repairs, fire restoration, insurance repairs, foundation stabilization and repairs, and siding replacement.

Greene continues, “We are in a period of tremendous growth, mainly through an extreme focus on building lasting relationships with our customers. This is at the core of everything we do. We know that if we consistently exceed the expectations of our customers through world-class service, they will remain our customers. We look forward to establishing these same long-term relationships with the new customers of our Construction Services Division.”

About Taylor Commercial, Inc.

With a heritage founded in more than 40 years of service, Taylor Commercial, Inc. is a leading provider of multi-family renovation and exterior construction solutions in the southeastern United States.
